EXTINCT

IS NOT what we should make our close relative and its habitat.

Suzie was once
an unknown
orangutan
living freely
in the rainforest
of Borneo.
Then she wasn't.

In this book:

- ❖ Facts about apes, orangutans, rainforest and the water cycle.
- ❖ The true story of an orangutan in Borneo.
- ❖ Two pages of ideas for students, parents and teachers on how to save the rainforests from unregulated destruction.
